# GENERAL PROCUREMENT NOTICE

## ETHIOPIA

The Ethiopia Renewable Energy Program I (EREP-I) Project

## GENERAL PROCUREMENT NOTICE

1. The Federal Government of Ethiopia has applied for a grant from the Sustainable Energy Fund (SEFA) through the African Development Bank to finance the The Ethiopia Renewable Energy Program I (EREP-I) Project.

2. The principal objectives of this project are to increase electricity access, geographically diversifying the energy mix and reduce Ethiopia’s hydro power concentration through increased generation from private sector-led renewable energy investments. The program will support the rolling out of a viable, competitive and sustainable procurement framework that will enable and stimulate investments by Independent Power Producers (IPPs) in the Renewable Energy sector (RE) of Ethiopia.

3. The project includes the following components:
   (i) Operational support on how to roll-out IPP procurement (project preparation and transaction advisory services);
   (ii) Provision of capacity building in environmental and social assessments and selected legal issues, and;
   (iii) Program management and coordination.

4. Procurement of goods and/or works will be in accordance with the Bank’s Rules of Procedure for the Procurement of Goods and Works. Acquisition of the services of Consultants will follow the Bank’s Rules of Procedure for the Use of Consultants. Bidding documents are expected to be available in June, 2019.

5. Interested bidders may obtain further information, and should confirm their interest, by contacting:
